

a home at 117 South Hervey Street. This home stands as a marker of his heritage.

The Clinton Birthplace Foundation was formed several years ago, and has successfully renovated the home, turning it into a museum and visitors center. Today, the home is a tourist attraction on a local scale, and the Clinton Birthplace foundation is looking to have the home placed on the National Register of Historic Places as a National Landmark. In order for this to happen, a feasibility study must be completed. This study is only the first step in a lengthy process. H.R. 3815 will set this process in motion by authorizing the feasibility study.

The eventual designation as a National Historic Site will open the doors of economic opportunity by way of added tourism to Southwest Arkansas. Thirty-one of my fellow colleagues are cosponsoring this legislation with me, including the complete Arkansas delegation. Arkansas Governor Mike Huckabee, a Republican, is also supportive of this study. Arkansans view this home as part of our state history. This is not about politics, but instead about the rich history of Arkansas and our Nation. This site will help to celebrate that history and educate thousands of visitors, and perhaps most importantly, it will bring jobs, opportunities, and economic development to a part of our district that greatly needs it.

TRIBUTE IN HONOR OF MARIANNE
AND DONALD KLEKAMP

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2002

Mr. PORTMAN. Mr. Speaker, I rise today in recognition of Marianne and Donald Klekamp, dear friends and community leaders, who will be honored at the 4th Annual Brain Injury Awards Dinner in Cincinnati on September 27, 2002.

Marianne and Don are both Cincinnati natives who have made a tremendous difference in our area. Marianne received a Bachelor of Science in Nutrition from the University of Cincinnati in 1956. Don received a Bachelor of Arts with honors from Xavier University in 1954, and went on to earn his law degree from the University of Cincinnati College of Law in 1957.

Marianne and Don were married in July, 1957. They briefly left the Cincinnati area while Don worked as a tax attorney in Cleveland with U.S. Steel Corporation. However, in 1959, they moved back to Cincinnati, when Don accepted a position with the law firm of Keating & Muething, P.L.L., as it was known back then. Forty-three years later, Don is still working hard as a Senior Partner at the same firm, now known as Keating, Muething & Klekamp, P.L.L. Don is an excellent lawyer, and is regularly included in the Best Lawyers in America.

Don's success at Keating, Muething & Klekamp, P.L.L., would not have been possible without Marianne's hard work and dedication to their family and home. While raising their five children, Amy, Molly, Rebecca, Jody, and Peter, Marianne provided support to Don in his law practice and to his community activities.

Marianne and Don have also given a great deal to our local community. In addition to their children's school related activities, Marianne served as President of Cotillion, and more recently as a member of the Cincinnati Nutrition Council. Don recently served for eight years on the Indian Hill Council, the last four as Mayor of the Village. He also was a board member of the Indian Hill Historical Society, the Greater Cincinnati Dental Care Foundation

of Children's Hospital, and the Citizens for Community Values. Don also was president of the Cincinnati Citizens Police Association, a former trustee of the Madeira and Indian Hill Joint Fire District and of the University of Cincinnati Foundation. In addition, Don is a founder and past president of the Ohio Right to Life Society, and he has received a number of awards and honors, including the Trustee's Award of the Cincinnati Bar Association and the Distinguished Alumnus Award from Xavier University.

Don currently serves on the Dean's Board of Visitors of the University of Cincinnati College of Law, and on the boards of the Legal Aid Society and the National Coalition of the Protection of Children and Families and Life Issues Institute. Don also serves on the board of directors for a number of companies, including Cintas Corporation.

Marianne and Don recently established the Donald P. Klekamp Professorship of Law at the University of Cincinnati College of Law and helped establish a scholarship in the Honors AB Program at Xavier University. They also were instrumental in providing funding for the acquisition and remodeling of the Donald P. Klekamp Community Law Center, the new location of the Legal Aid Society, which provides legal services to the poor and disadvantaged in Southwestern Ohio.

Mr. Speaker, Marianne and Don are outstanding individuals who have really made a difference in the Cincinnati area. All of us in Southwestern Ohio are thankful for their countless contributions to our community as they are honored at the 4th Annual Brain Injury Awards Dinner.

SIGNING THE DISCHARGE PETITION FOR H.R. 1343, LOCAL LAW ENFORCEMENT HATE CRIMES PREVENTION ACT

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2002

Mr. STARK. Mr. Speaker, I am honored to join with my colleagues in demanding that Congress consider comprehensive hate crimes legislation. I hope my colleagues will join me in signing this discharge petition to bring H.R. 1343, the Local Law Enforcement Hate Crimes Prevention Act, to the floor for an immediate vote.

H.R. 1343 will expand the scope of the current Federal Hate Crimes Law by including crimes motivated by bias against a victim's sexual orientation, gender, or disability. It will help crack down on hate crimes by providing technical, forensic, and prosecutorial assistance to State and local law enforcement. It will also make grants available to State and local governments who have incurred great costs in investigating and prosecuting these crimes.

Unlike the Republican Leadership, I do not see violence based on prejudice as some abstract legal concept. I disagree that hate crimes cannot be discerned from other types of violence and thus do not deserve special penalties under the law.

Crimes based on hate must be viewed for their real consequence. Hate crimes are not just violent acts perpetrated upon an individual because of their skin color, gender, sexual orientation, or religion. This is wrong enough. But these crimes are also intended to terrorize a whole community of people, to let them know they too are susceptible to violence solely because of who they are or what they believe.

Hate crimes are also a direct assault upon the fundamental ideals of our Nation. They undermine our basic commitment to freedom, equality, and justice. They unbind the bonds of community and imperil the common character—and common decency—we aspire to as Americans.

The Republican Leadership ignores this greater threat alongside the real life impact these crimes can have on our citizens and communities. In my own district—one of the most ethnically and culturally diverse in the Nation—hate crimes are not merely a cause for worry and concern, they are a reality.

In each of the communities I represent, people of different origins and backgrounds, religions and cultures live together as neighbors. But, there is always the prospect that they will be faced with acts of discrimination and violence.

Some of my constituents in Hayward have responded to this threat by launching their own effort against racial discrimination called the No Room for Racism campaign. They passed an ordinance condemning hatred and discrimination in their city and have inspired similar efforts in other communities. Their effort is the basis of the No Room for Racism resolution I introduced in Congress this year.

These constituents would tell each of us in this House that a comprehensive hate crimes law is a necessity—not only to protect them from senseless reprisals, but also to uphold the character and decency of the larger community in which they live and raise their children.
